

## About EVEY K

Evey K was founded in 2005 by Evelyn Knuckles, a California girl who moved to Denver and was craving LA and New York style. Evelyn wanted to create a unique atmosphere for women where they felt comfortable and left feeling stylish. It is a boutique for the fashion-forward woman who loves to shop and find unique things to wear for herself and for gift items for those special friends and family. Evey K strives itself on customer service and making sure you walk out with something you love and that looks amazing! From Casual to dressy, we can fit your needs! We are always looking for new up and coming designers to add to the store to give it an interesting mix, keeping it fun and inviting. We are a Specialty boutique for the woman that loves clothes, fashion and anything girlie!
