

## January Designer of the Month

Sir Alistair Rai

Mohandas K. Ghandi, Martin Luther King Jr., hindu deities and timeless messages of peace and passive resistance are the inspiration behind Sir Alistair Rai . Kiran Rai's Indian heritage, love for rock and roll and fashion have merged to create a fashion line that promotes global awareness. From the wisdom and beauty of our Raja line, featuring one of a kind art work and Swarovski detail, to the wit and social commentary of the Junglee line, there's certain to be a piece for every day. This is how Sir Alistair Rai Karan Rai's collection brings ancient teachings into today's world. These are powerful messages that scream to be heard, and echo with strength. Will Sir Alistair Rai's collections change the world? Probably not, but it could remind the person that wears it that their actions can. After all, the beauty, truth and love never go out of style. That said, live truthfully.

Come by and see the lovely scarves and tshirts from this line!
